PROFICIENCIES: Responsive Design, Accessibility, Product Planning, User Interface, User Research

PROJECTS

Sleep Mood UI

Marketing Page for the Sleep Mood web app build week project at Lambda School.

- Fully Responsive, HTML, LESS, Collaboration

Collaborated remotely with a team of three Web Developers and a UX/UI Designer to bring to production a Marketing Page in 1 week for Lambda School's Sleep Mood web app build week project.

- Responsible for constant communication throughout each day between team mates and program manager.
- Met with UX/UI Designer on a daily basis to discuss improvements, concerns, new ideas and general design implementation.

Carbon Tracker

React Redux web app with Carbon intensity API integration and a graph library.

- React, Redux, API Integration, React-Vis

Small solo project built to showcase how Redux juggles API data.

- Developed and deployed on Vercel within two days.
- React-Vis integration to provide data visualization.

Omega 2020

Omega2020 is a full stack sudoku web app that offers guests thousands of different puzzles and members the ability to save a puzzle, and come back to it later.

- React, HTML, MaterialUI, NodeJs, Express, PostgreSQL

Collaborated remotely with a team of 3 Web Developers, 1 UX/UI Designer and 3 Data Scientists to build the web app in 8 weeks.

- Solely responsible for Database design and development.
- Integrated with a Data Science API hosted on AWS and provided endpoints to the user to sort through puzzles by difficulty through the pipeline.
- Created React hooks to integrate 5 different themes the user can choose from.

EMPLOYMENT

Tucson Racquet and Fitness Club

Traveling Coach, Seasonal, Summers · May 2012 to Aug. 2014, May 2016 to Aug. 2016 · Tucson, AZ

- Assistant coach for six separate disciplines.
- Frequently communicated with parents and family members of those registered in the camp regarding current events, injuries, changes, and issues or problems involving behavior or equipment.
- Staffed an after-camp program and was selected to fill in as a supervisor, managing up to seven other coaches and fifty-six students.
- Selected as a member of the security, traffic flow and parking control team.

Papa John's Pizza

Delivery Specialist · June 2017 to Apr. 2018 · Flagstaff, AZ

- Ensured that all goods were delivered to the customer on time and in excellent condition. Assessed vehicle after each shift to ensure it was properly maintained and clean.
- Conducted the training of three new employees.
- Regularly assisted the kitchen staff during high volume sales.
- Managed deliveries made to the local university's stadium to be sold by concessions during various sporting events, hand delivering upwards of four hundred dollars worth of food and directing concessions employees on how to manage their booths.
